

Transport Planner

Due to continued expansion, McBurney Transport wish to appoint an Irish Transport Planner based in their Ballymena Office.

The successful candidate will be required to Plan the daily operations of vehicles across the Island of Ireland whilst liaising with drivers, sub-contractors and customers to ensure a high level of customer service is maintained at all times.

The candidate will be expected to manage a large and diverse range of customers across a broad spectrum of industry within a busy transport environment therefore previous experience in working in a transport environment is essential. This includes a sound knowledge of drivers' hours and the general operations of a road haulage contractor.

This is a demanding role and the candidate must be prepared to work on shift rota, weekends and Bank Holidays. A CPC is a distinct advantage however it is not essential.

In return we can offer the successful candidate a progressive position within a high performing transport company, a very competitive rate of pay as well as other benefits which will be discussed at the interview stage of the recruitment process.

The closing date for all applications is Wednesday 27th April 2016.
